

Sacramento NAWMP Stakeholder Input Workshop

Objectives Classification Results

1. Promote a conservation ethic in the general public

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

2. Maximize waterfowl harvest

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

3. Maximize hunter satisfaction

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

4. Promote non-consumptive uses of waterfowl

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

5. Maintain landscapes capable of sustaining waterfowl populations in perpetuity

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

6. Increase the understanding of ecological mechanisms driving changes in waterfowl abundance and waterfowl landscapes

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

7. Expand the sources and amount of funding for waterfowl conservation activities

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

8. Perpetuate the tradition of waterfowling

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

9. Minimize harvest of under-abundant waterfowl species

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

10. Minimize loss and degradation of wetlands and associated uplands

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

11. Provide more public hunting opportunities

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

12. Minimize the detrimental effects of over-abundant populations (e.g. depredation, habitat destruction)

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

13. Maintain/establish regulations that are simple and will lead to high compliance rates among hunters

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

14. Maintain healthy waterfowl populations as part of the North American fauna

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

15. Maximize ecological goods and services derived from wetlands and associated uplands managed for waterfowl

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

16. Increase public support for waterfowl conservation

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

17. Increase waterfowl hunter participation

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

18. Ensure that no species of waterfowl falls below population levels necessary for long-term viability

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

19. Increase and improve duck breeding habitat

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

20. Ensure cooperation among jurisdictions (state, flyway, partners, etc.)

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

21. Increase and improve duck wintering habitat

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

22. Maximize the efficiency and effectiveness of the infrastructure and funding for waterfowl conservation

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

23. Provide maximum hunting opportunity

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

24. Maintain the social license to hunt

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

25. Increase duck recruitment

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

26. Increase and improve duck migration habitat

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

27. Reduce mortality from disease and contaminants

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

28. Maintain a broad fall and winter distribution of waterfowl

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

29. Establish the infrastructure needed to ensure coherence in waterfowl management

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

30. Formalize the institutions needed to incorporate human dimensions into waterfowl management decisions

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective

31. Increase hunter education and communications efforts

1. Not a relevant waterfowl management objective
2. A fundamental waterfowl management objective
3. A means waterfowl management objective
